

The Wellington News

113. W. Harvey • wellingdailynews.com • 620-326-3326

The Wellington Daily News is starting a new feature, which will allow organizers to provide basic information and file photos for upcoming events to be featured in the newspaper and online.

We would like the form (on page 2) sent back to us at least seven days before the event.

This is a great opportunity to get events you're in charge of featured prominently.

Thank you,

The Wellington Daily News

EVENT ADVANCE FORM

Your name and hometown:

Name of event:

Time of event:

Location:

Cost and how to get tickets (if applicable):

How to find out more information:

What are three highlights of the event?

Why you think someone should attend the event?
