

Announcing a Change of Mailing Address for FOIA Requests

The Internal Revenue Service has almost completed modernizing Freedom of Information Act (FOIA) and Privacy Act case processing with the implementation of AFOIA, Automated Freedom of Information Act.

Due to the volume of correspondence and payments we receive, we changed the FOIA mailing address. Effective April 1, 2011, please send all FOIA correspondence and payments to:

Internal Revenue Service
Disclosure Scanning Operation – Stop 93A
Post Office Box 621506
Atlanta, GA 30362-3006

AFOIA allows us to centralize receipt of requests and electronically process and distribute them throughout the country. The implementation of this automated processing is an initial step towards compliance with President Obama's open government initiative.
