**Good help is hard to find.
Fortunately, we've found it for you.**

Could your agency utilize the skills of an assistant
– i.e., office, custodial, activities, meal prep –
for free?

The **Senior Work Experience Project (SWEP)**,
a grant funded program managed by the **Midway
Kansas Chapter of the American Red Cross**,
matches eligible senior citizens in your community to
agencies who can utilize the qualities experience,
loyalty and maturity our participants have to offer.

We pay the wages of these “volunteers” who
perform work tasks for you as they learn or freshen-
up job skills which will ultimately move them onto
self-sufficiency.

Getting started is easy.

For more information or to get a SWEP worker right
away, contact Job Developer Lori Ellison-Zuercher at
(316) 219-4044.

Please remember the Midway-Kansas Chapter in your estate plan.

EMPLOYMENT DEVELOPMENT

We are required by the Department of Labor to place 30% of our participants into unsubsidized employment each program year. We are naturally interested in selecting Host Agencies that can help us meet that goal.

1. What resources does your organization have for employment development?

What community resources do you use? _____

2. After training, would your organization be able to hire a participant in a full or part-time position during a project year? _____

SUMMARY

1. Describe the ways in which your agency is especially suited to working with the older, low-income worker.

2. Please attach any brochures, etc. which explain your organization/program.

If you should have any question or need additional information, please call the SWEP office at (316) 219-4045.
